No managed care organization or the bureau of TennCare shall deny that right to a nursing home, if the nursing home:

(1) Is exercising the taxable privilege to engage in the business of providing nursing home care pursuant to § 71-5-1002;

(2) Is certified by the bureau of TennCare for participation in the medicaid program; and

Amendment No. 2

AMEND House Bill No. 1656 by deleting SECTION 11 in its entirety and substituting instead the following language:

SECTION 11. Tennessee Code Annotated, Section 71-5-1412, is amended by deleting the section in its entirety and replacing it with the following language:

(a) A managed care organization (MCO) shall contract with any nursing facility licensed under title 68, chapter 11, part 2, and certified by the centers for medicare and medicaid services, that provides medicaid nursing facility services pursuant to an approved preadmission evaluation (PAE) and is willing to contract with the MCO to provide that service under the same terms and conditions as are offered to any other participating facility contracted with that MCO to provide that service under any policy, contract, or plan that is part of the TennCare managed long-term care service delivery system. Terms and conditions shall not include the rate of reimbursement.

(b) Nothing in this section shall be interpreted as preventing the bureau of TennCare or an MCO from enforcing the provisions of a contract between an MCO and a nursing facility or as preventing the bureau of TennCare from adopting reasonable and necessary requirements for the participation of a nursing facility in the TennCare program. All requirements for participation adopted after the effective date of this act shall be promulgated by the bureau of

TennCare as a rule under title 4, chapter 5, part 2, and shall include a hearing under § 4-5-203, prior to the enforcement of such requirement as part of any provider contract, unless otherwise required by federal law.

AND FURTHER AMEND by inserting the following new sections immediately preceding the last section and renumbering the subsequent section accordingly:

SECTION _____. Tennessee Code Annotated, Section 71-5-1003, is amended by adding the following language at the end of subsection (a):

In the event of a change of ownership or management of a nursing facility, the successor entity shall be liable for all unpaid nursing home assessment fees, penalties, and interest, and full payment of those fees, penalties, and interest shall be a precondition to the successor entity obtaining a TennCare identification number.

SECTION _____. Tennessee Code Annotated, Section 71-5-1003, is further amended by inserting the following language as a new subsection (d) and appropriately redesignating subsequent subsections:

(d) Each nursing home shall pay its nursing home annual assessment fee as set forth in subsection (c) in equal quarterly installments, with the first quarterly installment due on the fifteenth day of the first month of the first quarter of the state fiscal year after the bureau of TennCare has satisfied the requirements of subsection (f). Subsequent installments shall be due on the fifteenth day of the first month of the three (3) successive calendar quarters following the calendar quarter in which the first installment is due.

SECTION _____. Tennessee Code Annotated, Section 71-5-1006, is amended by adding the following language at the end of subsection (b):

The bureau of TennCare may, as part of an approved payment plan, waive, in whole or in part, any penalty or interest imposed under this section. A waiver shall excuse the payment of that penalty or interest amount but shall not excuse payment of any assessments. Nothing in this section shall require the bureau of TennCare to agree to or approve any waiver under this section, and the waivers shall only be approved after the bureau's determination that there is good cause for the waiver.

SECTION _____. Tennessee Code Annotated, Section 71-5-1006, is amended by deleting subsections (c) and (d) in their entirety and substituting instead the following:

(c)

(1) If a nursing facility fails to pay a quarterly installment of the nursing home assessment fee within thirty (30) days of its due date or becomes or is in arrears for payment of its nursing home assessment fee upon the effective date of this act and does not have an approved payment plan for which payments are current, the bureau of TennCare

shall direct its contracted managed care organizations (MCOs) to recover the full amount of the then-outstanding nursing home assessment fee and any applicable penalties and interest, which shall be accomplished through recoupment from payments made by the MCOs to nursing facilities to recover the full amount of the then-outstanding nursing home assessment fee and any related penalties and interest. TennCare MCOs shall remit promptly any of these recouped payments to the bureau of TennCare. The bureau of TennCare may recoup such amounts in as few or as many installment payments as it deems appropriate.

(2) If a nursing facility is more than ninety (90) days delinquent in paying any installment of its annual nursing home assessment fee; or becomes delinquent in any approved payment plan by more than ninety (90) days or fails to provide timely payment of any and all subsequent quarterly installments of its annual nursing home assessment fee while past due amounts are being recouped pursuant to subdivision (c)(1), the bureau of TennCare shall:

(A) Initiate a proceeding before the board for licensing health care facilities, in accordance with the Uniform Administrative Procedures Act, for the purpose of having the board indefinitely suspend admissions to the facility until all outstanding nursing home assessment fees and applicable penalties and interest have been repaid. Failure of a nursing facility to pay a quarterly installment of the nursing home assessment fee, or any penalties or interest required to be paid by this part, shall be considered by the board to be a license deficiency; and

(B) Initiate proceedings to terminate the nursing facility's TennCare identification number.

(3) Upon initiation of a proceeding before the board for licensing healthcare facilities by the bureau of TennCare pursuant to subdivision (c)(2), the board shall suspend admissions to the facility after the bureau of TennCare meets the burden of proof required by the Uniform Administrative Procedures Act. The board shall have no discretion to impose any sanction or take any action other than that set out in this subdivision (c)(3) in the proceeding. Immediately following the full payment by the facility, or its successor, of all then-outstanding assessment fees and any applicable penalties and interest, any suspension of admissions to the nursing facility imposed according to this section shall be automatically lifted without requiring further action by the board, so long as the full payment of then-outstanding amounts are made within the sixty (60) days immediately following the date of the suspension of admissions.

(4) On or after the sixtieth day following the date of suspension of admissions to the nursing facility if either the nursing facility fails to pay all

then-outstanding nursing home assessment fees and any applicable penalties and interest accrued thereon or the nursing facility fails to be current on the terms of its payment plan if a plan is in place, then the bureau of TennCare shall initiate proceedings before the board for licensing healthcare facilities in accordance with the Uniform Administrative Procedures Act for the purpose of revoking the nursing facility's license. Upon initiation of a proceeding before the board by the bureau of TennCare pursuant to this subdivision (c)(4), the board shall revoke the nursing facility's license upon the bureau of TennCare meeting the burden of proof required by the Uniform Administrative Procedures Act. The board shall have no discretion to impose any sanction or take any action other than that set out in this subdivision (c)(4) in the proceeding.

(5) Revocation of either the nursing facility's license or the nursing facility's TennCare identification number shall not remedy, discharge, satisfy, or otherwise extinguish the nursing facility's liability for the then-outstanding nursing home assessment fees and any related penalties and interest.

(6) Upon revocation of the nursing facility's license or termination of the nursing facility's TennCare identification number, the nursing facility shall be required to reapply for a license, TennCare identification number, or both the license and the identification number, in order to provide services to the TennCare population. As a condition of reapplication, the nursing facility, or its successor shall pay in full all then-outstanding nursing home assessment fees, penalties, and interest.

(7) Notwithstanding this part, the bureau of TennCare is authorized to file a civil action against a covered nursing facility and its controlling person or persons to collect any nursing home assessment fees, penalties, and interest when such fees, penalties, and interest have been delinquent for more than ninety (90) days. The bureau of TennCare shall have the right to pursue a civil action pursuant to this subdivision (c)(7) simultaneously while pursuing actions in subdivisions (c)(2) and (4). The bureau of TennCare shall be entitled to receive, in addition to the nursing home assessment fees, penalties, and interest, all reasonable costs of litigation, including attorneys' fees and court costs, incurred by it in bringing a civil action under this subdivision (c)(7). Exclusive jurisdiction and venue for a civil action authorized in this subdivision (c)(7) shall be in the chancery court for Davidson County, Tennessee. For the purposes of this subdivision (c)(7), "controlling person or persons" means any and all natural persons or entities that own more than fifty percent (50%) of the nursing facility, or the natural person or persons, entity or entities that is or are the majority owner of the nursing facility if no owner owns more than fifty percent (50%) of the nursing facility.

(d) Unless otherwise agreed to by the bureau of TennCare and the nursing facility, full payment to the bureau of TennCare of any outstanding

nursing home assessment fees, and any applicable penalties and interest, shall be required for the continuation of the nursing facility's ongoing certification as a medicaid provider.

SECTION _____. Tennessee Code Annotated, Section 71-5-1413, is amended by renumbering the current subsection (e) as a new subsection (f), and inserting the following as a new subsection (e):

(e) When acuity and quality supplemental transition payments that are made pursuant to § 71-5-1004 are transitioned into the medicaid per diem rates of the nursing home reimbursement system, the bureau of TennCare, in consultation with the comptroller of the treasury and the Tennessee Health Care Association, may implement these changes through emergency rules in accordance with § 4-5-208.
